

Dean MCCOMSEY

Dean is a lifelong resident of Lancaster County and a veteran. He is married 37 years with three children who graduated from L-S. After serving in the Air Force, he graduated Penn State with a degree in Engineering Technology. Dean is retired after 38 years in the nuclear power industry where he held positions in health physics, training, emergency management and electrical maintenance. His background as a leader in the military and in a highly skilled technical career will provide an important perspective on the School Board. He supports maintaining L-S's focus of providing a quality education while pursuing academic excellence, maintaining fiscal responsibility while supporting teachers and parents. Dean believes that L-S has a tradition of high-level community and parental involvement and looks forward to providing support to improve on that collaborative spirit.
