Education / Experience

M.S. Strategic Intelligence, Joint Military Intelligence College, DC, 1995

B.S. Mathematics, University of South Carolina, 1994

Retired Air Force Lieutenant Colonel

Chief Operating Officer

Senior Intelligence Officer

Reason for Serving / Educational Philosophy

As a proud mom to three kids currently attending Hempfield, I know how important it is for parents to be involved in their children's lives and education. I want to apply my leadership experience to continue serving my community. Having observed a variety of social settings around the world has given me an appreciation for the connection between strong communities and high-quality education. As a member of our school board, I will work diligently with the best interests of children and their families as a priority. After serving 20 years in the Air Force, my family chose to live in Hempfield due to its incredible reputation. I want to continue to build on Hempfield's tradition of excellence by maximizing resources, raising the academic bar, and working to improve communications and interactions between the district, parents, teachers, and other stakeholders. Together we can make Hempfield even stronger than it is today.

Community Involvement

Mentor for Lancaster County Veterans Court

Fundraiser for homeless students in Hempfield & Columbia districts

English as Second Language Tutor

Scout Co-Leader

Junior Achievement Volunteer
