

Kelly OSBORNE

Kelly was born and raised in Strasburg Township and a graduate of Lampeter-Strasburg High School. She has raised two L-S graduates and lives in the home she built beside her parents. Kelly recently retired after 25 years of service as a Pennsylvania State Trooper. She spent two decades patrolling the southern end of Lancaster County and ended her career as the Community Services Officer. Kelly was appointed to the School Board at the end of December 2022 and is thrilled to be serving with school board members who are dedicated to ensuring the L-S tradition of excellence is ongoing. She currently serves as a volunteer on several local non-profit boards such as the Wakefield EMS, Quarryville Police Foundation, The Pilot Club of Lancaster, & Southern Lancaster Chamber of Commerce. Her combined perspective as a former L-S student, parent of L-S graduates and a first responder is unique and important. Kelly will bring a passion for community service and her background in public safety and communications will help the district continuously improve safety and community collaboration.
