

Kristin STALEY

Kristin Staley is a proud graduate of Lampeter-Strasburg School District and resides in West Lampeter Township. With six children currently enrolled in the district, she has a dedication to continuing the tradition of academic excellence in our district. After graduating from Millersville University Kristin served as a local teacher for seven years. The classroom experience gives Kristin the advantage of understanding the challenges in education and a passion to equip teachers. Kristin currently serves as a substitute teacher for the Substitute Teacher Service outside of the L-S District. This position enables her to stay involved in education and see the issues facing students. Kristin Staley is committed to consistently engaging with the community by serving community groups and organizations in various capacities. She is active in a local women's group as a leader and teaches bible school at the church her family attends. Kristin has a passion and dedication for maintaining the quality and success of extracurricular programs at L-S. She serves as secretary for the L-S Track & Field Booster Club, can be found volunteering for the swim or cross-country teams or supporting the band or theatre programs
