

Matthew PARIDO

Matt has been a resident of the district for 20 years and has two college aged children who are both recent L-S graduates. He was first elected to the board in 2019 and over the course of that term he has been a leader in focusing on academics, fiscal responsibility and transparency with the best interest of the residents of Lampeter Strasburg at heart. Matt was a champion of efforts to trim spending on the early education center which led to cutting down on borrowing for the project. As chairman of the Academic Committee he held comprehensive hearings to examine the curriculum at all four schools and at each grade level. And as vice president of the board helped foster an environment of openness/transparency for fellow board members, taxpayers and parents of our students to create a forum designed to listen to concerns and get resolution. Matt was helpful in board deliberation and votes to get the best possible outcome for residents and taxpayers on the sale of the Strasburg Elementary School.
