

Melissa HERR

As someone who was born and raised in Lancaster County and spent the last 30+ years living and working in the agricultural industry within the Lampeter-Strasburg School District, it is important to Melissa to give back to her community. She is an organized, conservative leader who has longevity on our L-S School Board and is currently serving as its president. Melissa values the significance of being part of the educational process, working alongside members of the L-S administration, to enrich the lives of students by offering a quality, well-rounded education, appropriately including life and technical skills. It is important to her to steward the L-S School District well, prioritizing the care of our students and staff, knowing the return on that investment, positively reflects on the future of our community.
